

Dear Fellow SRS Members,

I'm pleased to let you'll know that the Institute of Banking & Finance has launched the Wealth Management Accelerator Programme (WMAF) which could be suitable for some of our members. We had a meeting with IBF on 26th April 2022 and had expressed our earnest view that it would be good if they could provide suitable job opportunities for our members as the brokerage industry has become highly challenging with the aggressive competition from Fintech Brokerages and many of our members are having difficulty making a decent living.

IBF has rolled out the following marketing materials for WMAF to boost awareness and generate interest for the programme. Items can be found in the links attached below :

- * WMAF Social Media Post: Facebook / Instagram / LinkedIn
- * WMAF Launch Video
- * WMAF info session: Facebook / LinkedIn

IBF will be conducting a dedicated briefing session for our members on 1st June 2022 (Wednesday) from 6.00 p.m. to 7.30 p.m. which would give an opportunity for our members to ask pertinent questions or seek clarifications.

Please indicate your interest by submitting the following details to secretariat@remisiers.org by 27th May 2022 (Friday) :

- * Full Name :
- * Broking House :
- * Handphone No. :
- * Email :
- * Preferred Mode : IBF Premises (MAS building) or Webinar

(please select one)

Looking forward to your prompt response which will assist greatly the administrative arrangements for IBF.

SRS is happy to build a brighter future for our members especially in these very tough times.

Warmest regards,

S.Nallakaruppan

President

The Society of Remisiers (Singapore)
