

**Dear Fellow SRS Members,**

I'm pleased to let you'll know that our long time SRS Member, Ms Rita Chew from Lim & Tan Securities Pte Ltd, aged 91, has been featured in today's The Edge Newsletter (November 11th to 17th 2024 issue).

Remisiers are still relevant as long as one is willing to upskill and adapt in this fast changing financial landscape. We still do provide useful services to clients and hopefully one day we can move-up the value chain and start managing client investments and be great Financial Confidants to clients.

Warmest regards,
