

Dear **SRS Members**,

We had a memorable and meaningful 40th Anniversary AGM cum Dinner Celebrations on 20th March 2026 at Holiday Inn Singapore Orchard City Centre. About 320 Guests and Members attended SRS major milestone event. All the Happy Moment Photos and Videos have been uploaded to our Website www.remisiers.org

The feedback we got from Guests and Members was that they had a great and meaningful time strengthening bonds within the Stockbroking community like one big family. They were also very impressed by SRS 40th Anniversary Commemorative Book and Video. There were two main objectives for producing this Commemorative Book and Video. **Firstly**, to raise the profile of the Remisier Profession which has been the backbone of the Stockbroking industry all these years. **Secondly**, to highlight key milestones of the Singapore Stockbroking industry and the Singapore stock market which has had a rich history of more than 60 years.

Kudos to the Editorial Committee, Book Publisher Superskill Graphics Pte Ltd and Videographer Karen & Karen Pte Ltd, who have put in tremendous time, effort and initiative to make this Book and Video a truly memorable one and raise the stature of our Society.

The theme for SRS 40th Anniversary is "**Regroup, Reskill, Rebound**". It's a rallying call to fellow Remisiers to stay positive and united for a brighter future and our Society will continue to serve in the best interests of its Remisiers.

Thank you.

Warmest regards,

S Nallakaruppan

President
