

Dear **Fellow SRS Members**,

The FTSE STI index close as at 16th February 2026 was 4,938.58 . The 1st Prize Winner, Mr Johnson Koh Kheng Boon from UOB Kay Hian prediction was really really close and differentiated by a mere 0.1 of a point. Congratulations to him and the rest of the 12 Prize Winners.

A larger majority of the predictions were much more bullish but just like in the stock market, normally a smaller minority wins big. For transparency purposes, I'm pleased to attach herewith the Final Result List for your information.
